

ACTIVITY 3 IMPACT REPORT

'We are Friends' is a collaboration between [The Together Project](#) and [Chit Chat Pitter Pat](#) funded by [Waltham Forest Council](#).

This joyful intergenerational project highlights the importance of building meaningful relationships across different generations. It supports a culture of multi-age shared learning with a strong focus on storytelling.

100%

of EYFS and care homes when questioned said:

they 'Agreed' or 'Strongly Agreed' that We are Friends Activity 3 brought happiness to their setting

HIGHLIGHT OF THE PROJECT:

Making a link with the wider community is especially important to broaden young children's understanding of the world around them

Care Home settings rated the likelihood of continuing their relationship with their linked setting as:

5 out of 5

Activity 3

1-5

children taking part ranged from 1-5 years old

69-100

older people taking part ranged from 69-100 years old

"The residents enjoyed seeing photos of the children doing their activities, particularly since the pandemic, there has been very little interaction with young children"

Care Home Activity Coordinator

All early years settings agreed the activity:

developed the children's wellbeing and understanding of the world

The information above has been collated from 1 care homes and 3 EYFS settings.
